PHOLARIX

CIO / CTO-AS-A-SERVICE

Executive Technology Leadership, On Demand.

Strategic technology leadership — without the cost, risk or wait of a full-time executive hire.

WHO WE ARE

Pholarix provides fractional CIO/CTO leadership for businesses that need genuine technology leadership at the table, but can't yet justify (or don't want) a full-time executive salary.

WHY CHOOSE US

- **Board-ready leadership from day one**
- **A fraction of the cost of a full-time executive hire**
- **One accountable partner, not a rotating cast of contractors**

Engagements available as a monthly retainer, project-based advisory, or interim leadership cover.
